

RITIK KUMAR

Junior Web Developer

Email: ritik707086@gmail.com | Phone: 6206537910 | Location: Vadodara, Gujarat | GitHub: github.com/Ritik70k

PROFESSIONAL SUMMARY

Motivated Junior Web Developer with hands-on experience building responsive, interactive web applications using HTML, CSS, JavaScript, and SQL. Proficient in frontend development, DOM manipulation, and version control with Git/GitHub. Demonstrated ability to design and deploy user-friendly projects independently. Eager to contribute to a collaborative engineering team and grow through real-world software development.

TECHNICAL SKILLS

Languages: Java, HTML5, CSS3, JavaScript (ES6+), SQL

Databases: MySQL, PostgreSQL

Tools & Platforms: Git, GitHub, VS Code

Core Competencies: Responsive Web Design, DOM Manipulation, CRUD Operations, Debugging, Problem Solving

PROJECTS

Portfolio Website

HTML5 | CSS3 | JavaScript

graceful-melomakarona-808092.netlify.app

- Designed and developed a personal portfolio to showcase projects, technical skills, and contact information.
- Implemented a fully responsive layout using CSS Flexbox and media queries for cross-device compatibility.
- Focused on semantic HTML structure and clean CSS for accessibility and fast loading.

Tic Tac Toe – Web Application

HTML5 | CSS3 | JavaScript

[ritik70k.github.io/Minor-projects/Tic Tac Toe](https://ritik70k.github.io/Minor-projects/Tic-Tac-Toe)

- Built a fully interactive two-player Tic Tac Toe game with win detection, draw handling, and board reset.
- Implemented all game logic using vanilla JavaScript and real-time DOM manipulation with no external libraries.

Calculator – Web Application

HTML5 | CSS3 | JavaScript

ritik70k.github.io/Minor-projects/Calculator

- Developed a responsive calculator supporting addition, subtraction, multiplication, and division operations.
- Applied clean UI principles and efficient JavaScript logic for accurate real-time computation.

Rock Paper Scissors – Browser Game

HTML5 | CSS3 | JavaScript

[ritik70k.github.io/Minor-projects/Rock Paper Scissors](https://ritik70k.github.io/Minor-projects/Rock-Paper-Scissors)

- Created an interactive browser game with randomised computer moves, real-time score tracking, and result display.
- Strengthened JavaScript event handling and conditional logic skills through complete project delivery.

EDUCATION

Bachelor of Technology in Computer Science & Engineering (B.Tech CSE)

2024 – 2028

Parul University, Vadodara, Gujarat

CGPA: 7.14 / 10.0

ACHIEVEMENTS & ACTIVITIES

- Designed, built, and deployed four independent web application projects showcasing end-to-end frontend development skills.
- Maintained a live personal portfolio on Netlify demonstrating project work and professional profiling to recruiters.
- Consistently applied responsive design and clean code practices across all personal projects, reinforcing industry standards.
- Actively expanding technical depth through self-directed learning in JavaScript, SQL, and modern web frameworks.
